# Canon Rock Recorder Style

Here is the sheet for my arrangement of Canon Rock for the descant recorder. It is mostly right but please treat it as a rough guide. Its the same as my video so the bit missed out is deliberate (i havent got round to arranging it yet) but please message me for the backing, or if you have it, you may be able to cut the bit out yourself. Enjoy, if you master it, post a reply to my vid. Love to see how you guys get on. :)
