Verse 2:
 Most of the time
 It's well understood
 Most of the time
 I wouldn't change it if I could
 I can make it all match up,
 I can hold my own,
 I can deal with the situation
 Right down to the bone.
 I can survive,
 I can endure,
 And I don't even think, about her,
 Most of the time.

Verse 3:
 Most of the time
 My head is on straight,
 Most of the time
 I'm strong enough to hate.
 I don't build up illusion
 'Til it makes me sick,
 I ain't afraid of confusion
 No matter how thick.
 I can smile in the face.
 Of mankind.
 Don't even remember
 What her lips felt like on mine
 Most of the time.

Verse 4:
 Most of the time
 I'm halfway content,
 Most of the time
 I know exactly where it all went,
 I don't cheat on myself,
 I don't run and hide,
 Hide from the feelings
 That are buried inside,
 I don't compromise
 And I don't pretend.
 I don't even care
 If I ever see her again
 Most of the time.
