it don't matter any how.

look out your window and I'll be gone.

So don't think twice, it's alright.

It ain't no use in turnin' on your light babe, the light I never knowed.
It ain't no use in turnin' on your light babe, I'm on the dark side of the road.
Still I wish there was something you could do or say,
To try and make me change my mind and stay.
We never did too much talkin' anyway.
But don't think twice, it's alright.

It ain't no use in callin' out my name babe, like you never did before.
It ain't no use in calling out my name babe, I can't hear you anymore.
I'm a-thinkin' and a-wonderin' all the way down the road,
I once loved a woman, a child I am told.
I gave her my heart, but she wanted my soul.
But don't think twice, it's alright.

I'm walkin' down that long and dusty road babe,
where I'm bound, I can't tell.
But goodbye is too good a word babe, so I'll just say fare-thee-well.
I ain't sayin' you treated me unkind.
You could 'a done better, but I don't mind.
You just kind 'a wasted my precious time,
But don't think twice, it's alright.
