Second verse:

Let me say since, since we've been together,
Loving you forever is what I need.
Let me be the one you come running to,
And I'll never be untrue.

Third verse:

Why, somebody, why people break up,
Oh, and turn around and make up I just can't see.
You'd never do that to me, would you, baby?
Just being around you is all I see.
